**Sub: Workshop to develop Sample Question Paper in the subjects –  
Maths, Computer Science & Informatics Practices for Class XI (2010-11) .**

Dear Principal,

You will be glad to know that DAV Education Board proposes to organise the workshops to design & develop Sample Question Paper alongwith the marking scheme in the above subjects.

The workshops for these subjects will be held at the following venue. You are requested to send subject teachers, teaching Class XI to attend these workshops alongwith their text books.

The name of the teachers, deputed by you for these subjects may be communicated to the concerned Principal of DAV Public School for making the boarding & lodging arrangements for the participants under the intimation to this office.

Since this document i.e. sample question paper will be of great help to the Class XI students, I am hopeful you will cooperate fully and make your teachers available without any hesitation. Moreover this will provide the teachers an opportunity to interact with the experts and discuss with them the areas which have been included in the new curriculum framework.
